HARDY NATIVE FERNS, BULBS, VINES
PLANTS, WATER PLANTS
EVERGREENS AND SHRUBS

Collected by

J. J. N U D D
EXETER, N. H., U. S. A.

* * * * * * * * * * * * * * * *

REMARKS

Location—Exeter is located 50 miles northeast of Boston and 300 miles from New York on the direct line of both.

Shipping—Spring season commences the first to the 15th of April and continues until June. Fall season is from September until December. Ordershould be placed early to insure good stock and varieties wanted. We aim to furnish the best stock at the lowest prices consistent with the quality of stock offered.

Terms—Are cash unless otherwise arranged.

Boxing and packing at cost.

Not less than 500 at 1000 rate.

We are not responsible for stock in any way after delivered for transportation, but are willing to corerct mistakes on our part, complaints must be made on receipt of goods. But we shall not at any time be liable for a greater amount than the original purchase price.

Inspection—All stock is properly inspected and a certificate of inspection is attached to all shipments where necessary.

Ferns and plants marked * are rock garden material.
